
Rules for Tournament clothing

The sports clothing is determined by the responsible national federation. It has to fulfil the given specifications of the UMB and has to be the same for all sportsmen/women of one country whatever the kind of the championship it is.

At championships and at official tournaments the uniformity is only valid for those sportsmen/women who are inscribed through their national federation. Concerning teams all sportsmen/women have to wear exactly the same clothes. The badge of their federation has to be worn by the sportsmen/women on the left side of the chest.

While staying in the tournament hall and in the associated area of the same, as well as on official occasions (press conferences/receptions/banquets etc.) the sportsmen/women shall wear appropriate, elegant clothes.

At the opening, at the presentation ceremony and while staying in the sports arena the following tournament clothing is valid:

Black shoes, black trousers, black socks, smoking plain shirt or blouse with long sleeves, vest and bow tie.

For sportswomen the same rules are applicable with the following exceptions: long-sleeved one-coloured shirt or one-coloured blouse which is closed at the neck. Waistcoat and bow-tie are not compulsory.

The wearing of Jeans and/or Cord-clothing is not allowed.

The final decision concerning the acceptance of the clothing will be of the responsibility of the UMB delegate.
